Coroners Inquest.

Last evening about 8 o'clock, Thomas Keefs, accompanied by an escort of six men rived in this city with the body of Mike Noonan, who was killed at his reach by Apacies, on Thur-day isst. After shooting their victim, the red dayles took an are and day. mashed it his forehead, cutting his neck ! and abouiders also.

The verdict of the people of Cochise is that the deceased came to his death at the hards of Apache Indians, the wards of the U. S Gover-ment, and recommend that Gen. George Crook be held personally resooneltde for the death of Michael Noonan.

Below we give the testimony adduced and town. the rerdict of the coroner's jury at the inquest which was held this marning: In he matter of the laquest on the body

of Mike Nooman, held at Tombstone, Cochiec County, Arrenas, on Sed day of October 1885, before H. M. Mattnews, County Cor-

Samuel Coleman was called as a witness who being first sworn deposes and says by question and answer:

Q-What is your name, age, residence and ecquation? A-Samuel Coleman, 26 years old, rancher,

Sulphur Sprines. Q-Do you know this bods. A-Yes Michael Noonen. I saw him dead at his ranch. Si Bryant saw him before I

Q-Tell the jury briefly.

A-I got there about 114 hours after dark. Saw soldiers 200 yard- off; went to his house; saw him lying on his face. It was the 1st day of October, Thursday last. Heft blue Pedro. there and came into town. He had not been moved when I saw him again next day with Mr. Keefe, the undertaker.

Q-Was he cold when you first saw him. A-I did not touch him; it was about an

Q-Do you know as to who killed him! A-I saw Indian signs: saw a total of six Indians going straight to his house; I followed the trait for two miles.

Thomas Keefe, was called as a witness who being first duly sworn deposes and says by question and answered: Q-What is your name, age, residence and

occupation?

A-Thomas Keefe, Tombetone, over 31 years oid, undertaker and carpenter.

Q-You brought in the body yesterday; please state briefly the condition in which

A-1 grove over to Noonans ranch; the door was shut; the body was lying on his face, covered with feathers; washed islim down and put him in the coffin. The eable was demoralized, everything unset, provisions thrown out and about. I brought sway his pou, pictures and pocket book. There was nothing on his person. There were indications all around the place of Indian morassin tracks. Tie trail led south from the cabia hich I followed 2% miles. Everything led me to believe the crime was done by Indians. I got there yes crusy about 2

p. m.; sayed about 1% hours. Dav.d Stewart was called as a witness, who being first duty sworn deposes and says by question and suswer:

A-David Stewart, \$2 years old, Tombstone,

Q-Did you-know Michael Moonan?

A-I knew him for 21/4 years. He was a assive of Iroland, County of Mayo, aged 37

We the undersigned, a jury of inquest duly empanuoiled and swore, by the Corener of Cochise County, A. T., after viewing the body submitted to our inspection, and hearjug such testimony as has been orought be-Nocusa, a native of Ireland, aged 37 years, but a naturalized citizen of the United States, and that he came to his death in Cochise County, A. T., on the first day of October, A. D. 1885, from the effects of gunshoe and other wounds, inflicted as the jury

A. E. Hartman, D. B. Immel, Riegely Tilden, J. H. Inornutke, D. S. Mil at Conveil, C. W. Brown, J.

INDIAN NEWS.

## The Latest Concerning the Apaches in the Dragoons and Sulphur Spring Valley.

Charley Smith, Harry Solan and Si Bryant, on a Trail -A Fusilade of Shots Heard on the

PLAINS NEAR ABBOTTS BANCE

About Daylight Th's Morning-Rumors of the Killing of a son of James Garrett Near Sycamore Springs This Afternoon.

Last evening the people of this town were a s bigh same of ex itement, and a larg umber walned around the morgue, walth r the return of under sker Keefe and bar scort, with the body of Michael Noonan to soon as the wagon errived it was suounded by an auger crowd autious to seur te particulars of the killing and to know whether there were may further news in re gards to the Inclune.

As sor a . s M . wele had placed the body and effects in the morsue he was sough; our OY & DALLY TOMBSFORE reporter, to whom

ne gave the following account of his trip: As soon as they reached the Dragoous the party moved with great caution as there were tress indian signs in every sign. Juas they started down the steep grade on the other side of the pa-a, the wagan was accraentally overturned and the occupants an. coffin thrown to the ground. Mr. Quirley, who was driving, held on to the sines and ucceeded in stopping the team. The waget as righted up and the party proceeded ; little distance when Keefe shoulded 'Indiana!' It was no taise plarts, a short distance shead on a small alade stood three Indians. The guns of our party covered the redskips in acusiant, but the Indians waved their butand dispusyed red mandke chiefs to indicate toat they were scouts. They then came up to the K-ere party and one Indian was could talk cous derable English, said they were on meir way from somewhere to notify some condiers somewhere each that a large body of renegates had crossed Mindie pass and were moving south. After a brief concernation the two parties continued on their respective masterns. Our party soon strived at the scene of the murner. Going up to the door Mr. Keefe raw the body of Noonan i) hig on the floor tace dow..wards, covered with functions as stated in our test issue. The body presented a sickening sight. The faint builet had entered the right breast just above the adpose, passing entirely through the body and coming out through the right enouider made. Mike and then been scruck a Leavy blow with a blunt instrument over the right eye which was bruised and bloody. preistone and been driven that the east ar. the bony was washed and dressed and

placed in the route. The concents of the nouse and all been overnauce. Mike's Winchester ride and amunition had been aken Ail the provisions were carried away xeest a man and some canged stuff. The party then wateron the stock, or waren thefe are about 27) wend at the ranch. The comm was toen proceed in the wagon and the party started on tueir homeward trip. In the studie passincy met summer of woodcuoppets was were on their way towards www. they met one party was and seen Hed then by the lettere sout & o'coots sessenday accommon.
